**RE: MOTION OF NON CONFIDENCE FOR INUVIALUIT REGIONAL CORPORATION
CHAIRPERSON AND CHIEF EXECUTIVE OFFICER DUANE SMITH**

Dear Board of Directors

The Sachs Harbour Community Corporation (SHCC) held its regular meeting on July 19th 2018 and the board discussed the Inuvialuit Regional Corporations (IRC) Chairpersons refusal to come to the community. This is the second year that the IRC Corporate Tour will not be coming to Sachs Harbour, we find this absolutely and completely unacceptable. Also, the complete lack of IRC programming in Sachs Harbour, coupled with the total lack of IRC support has left us isolated and separated from the other ISR communities. Furthermore, the absolute lack of IRC presence and funding in our community is leaving us at a loss to explain this to SHCC members. This is contrary to the election promises the current IRC Chair/CEO made, which was to work with all Community Corporations. The opposite of that has happened and the relationship between the IRC and the SHCC is broken. These actions, compounded with an extremely difficult relationship with the current IRC Chairperson and other IRC staff has led our board of directors to present the following motion.

Motion 40/07/18

Moved by: Darren Nasogaluak

Seconded by: Abel Joe Kudlak

A motion of Non-Confidence in Inuvialuit Regional Corporation, Chairperson and Chief Executive Officer; Duane Smith is hereby declared by the Sachs Harbour Community Corporation Board of Directors.

Unanimously Carried by a vote.

After a lengthy discussion, it was unanimously passed by all in attendance. That the only option for our community to prosper, is to remove the current Chairperson Duane Smith and vote in a Chair/CEO that is willing to work with our community. Since his election, the community of Sachs Harbour has had no real support from our Land Claims organization. In fact, we have been purposefully left out on most training and support services from the Inuvialuit Regional Corporation. The IRC visits each community several times per year, we only have seen them once in 5 years. This behaviour from someone elected to represent the entire Inuvialuit Settlement Region is unacceptable. The current Chair/CEO has been one of the most difficult to work with in our short history. From refusing us access our own endowment fund to stalling our business plans and refusing to come to Sachs Harbour these are not the actions of a true leader.

If you have any questions or concerns, please feel free to contact our offices at the numbers provided above.

Sincerely,

Vernon Amos
Chairperson,
Sachs Harbour Community Corporation.
